### RECTIFICATIONS !

Nos lecteurs ont appris, hier, avec un certain intérêt la formation des quatre équipes qui évolueront au stade Amédée-Frolovski à Valenciennes, pour les sélections définitives des équipes Nord (A), Nord (B) et Nord (étrangers) appelées à jouer des rencontres inter-régions dans le courant de février prochain. Par inadvertance, la date du 20 au lieu du 27 janvier a été insérée dans cette annonce. Nous remercions nos lecteurs de vouloir bien prendre note de la rectification qu'ils ne l'ont déjà fait eux-mêmes.

### LES PROCHAINS COMBATS DU BRUAYSIEN TASSIN

#### DE SOIR A BERLIN...

Le jeune champion de France des poids plumes, Robert Tassin, de Bruay, va livrer ce soir, au Sportpalais de Berlin, un match contre le champion d'Allemagne des poids plumes Noack. Souhaitons à Tassin de remporter une brillante victoire, sa tâche pour vaincre Noack sera peut-être dure, mais non pas impossible.

#### ...ET BIEN TÔT A PARIS POUR LE TITRE

On sait que la Fédération Française de Boxe a donné comme challenger à Tassin l'excellent pugiliste norvégien Soya. Le match Tassin-Soya pour le titre français des poids plumes est donc fixé à la salle Wagram, à Paris, à la fin du mois, probablement le mardi 29.

### Le nordiste H. Poutrain va livrer deux grands combats

#### IL RENCONTRERA LE 26, A ROUBAIX, LE BELGE STEVERLINCK, ET LE 27, A LONDRES, KID PATTERSON, CHAMPION D'ANGLETERRE

H. Poutrain, le brillant élève de Géo Mars, professeur à l'École des Mines d'Orchestruc, va livrer prochainement deux combats appelés à un grand retentissement. Le premier le mettra aux prises dimanche 26 janvier à Roubaix, au cours d'un gala organisé par l'Association des Sports de la Région, avec le champion de Belgique Steverlinck, vainqueur de la palmarès d'Europe et de Belgique; Vandeleene, champion du Nord, etc.

#### Le match est attendu outre-Manche avec une ferveur impatiente étant donné la réputation que l'élève de Géo Mars s'est faite là-bas en battant successivement les champions anglais, Bob Kimmier, Billy Bolger, et principalement Ernie Jarvis.

Faisons confiance en Poutrain qui, non en sommes persuadés, lèvera l'impossible pour venir à bout de ses deux terribles adversaires et confirmera ainsi d'une façon éclatante ses récents succès.
