L'ORGANISATION ET LA DÉFENSE DU MARCHÉ DU BLÉ

Les aménagements apportés à la loi du 10 juillet 1933

La loi du 10 juillet 1933, portant fixation d'un prix minimum pour le blé et tendant à l'organisation et à la défense du marché du blé, aura eu les avantages, que nous avons eu maintes fois l'occasion de rappeler, de ramener automatiquement la confiance dans le moment des producteurs complètement désemparés par l'effondrement catastrophique des cours du blé en juillet-derniers.
