

UNE BELLE SANTÉ

LA DAME DE DROITE, MALADE. — Je tousse toujours. Combien je désirerais me porter comme toi. LA DAME DE GAUCHE, BELLE SANTÉ. — Ma chère, fais comme moi, prends du GOUDRON-GUYOT et tu ne tousseras plus jamais.

L'usage du Goudron-Guyot, pris à tous les repas, à la dose d'une cuillerée à café par verre d'eau, suffit, en effet, pour faire disparaître en peu de temps le rhume le plus opiniâtre et la bronchite la plus invétérée. On arrive, même parfois à enrayer et à guérir la phthise bien déclarée, car le goudron arrête la décomposition des tubercules du poumon, en tuant les mauvais microbes, causes de cette décomposition.

KALFLÈCHE & BACHMANN AUTOMOBILES
