

Nous publions ci-dessus les clichés des deux premières photographies qui furent reçues à l'Hippodrome de Roubaix lors de la conférence de M. Edouard Belin, au Gala du Radio-Club du Nord de la France.

Le papier sensible employé par l'illustrateur étant imprégné d'une solution de ferro-cyanure de potassium et l'image se produisant par électrolyse partielle de celle-ci en bleu de Prusse, nous avons été contraints de réphotographier ces épreuves obtenues — le bleu n'impressionnant pas la pellicule sensible de nos clichés — pour obtenir une photographie en noir susceptible d'être utilisée en photogravure.

On remarquera combien — même après cette opération intermédiaire — les clichés que nous donnons aujourd'hui, sont nets et à quel point les demi-teintes ont été respectées.

Les intéressés sont invités à se présenter au Bureau des Elections, rue Neuve, 26 étage, munis des pièces suivantes:

1. Lettre de mariage, militaire, ou toute autre pièce justifiant la date du mariage.

2. Certificat de radiation de la liste électorale de leur résidence antérieure.

3. Réception de dépôt de changement de domicile ou pièce attestant que les demandeurs habitent Roubaix depuis avant le 1er octobre 1929.

4. Ceux qui ont effectué un changement de domicile ne sont pas astreints à une résidence de six mois; ils peuvent se faire inscrire de suite.

5. Les électeurs qui ont changé d'adresse ou de profession sans inamovibilité, doivent faire la déclaration au Bureau des Elections le plus tôt possible.
