SOULAGE IMMEDIATEMENT, COMBAT EFFICACEMENT

## les RHUMES

la Toux, l'Asthme, la Bronchite, l'Emphysème, la Coqueluche, la Grippe et toutes les Affections Broncho-Pulmonaires.

Le Sirop Rami est, depuis près d'un demi-siècle, employé, recommandé dans les Hôpitaux, par le Corps Médical. Son goût agréable et son action rapide en font le Sirop pectoral de la Famille - pour les adultes comme pour les enfants.
